DE LA SALLE SCHOOL CHARGING AND REMISSIONS POLICY

The 1996 Education Act requires all schools to have a policy on charging and remissions for school activities, which will be kept under regular review. This policy will be reviewed on a regular basis and the date recorded at the start of the document.

1. The policy identifies activities for which:

- voluntary contributions may be requested
- charges will not be made
- charges will be made

2. Voluntary contributions

Separately from the matter of charging, schools may always seek voluntary contributions in order to offer a wide variety of experiences to pupils. All requests for voluntary contributions will emphasise their voluntary nature and the fact that pupils of parents who do not make such contributions, will be treated no differently from those who have done so.

This charging and remissions policy describes how we will do our best to ensure a good range of visits and activities is offered and, at the same time, try to minimise the financial barriers which may prevent some pupils taking full advantage of the opportunities.

The Law states:

- if the activity cannot be funded without voluntary contributions, the Governing Body or headteacher will make this clear to parents from the outset
- no child will be excluded from an activity because his or her parents are unable or unwilling to pay a voluntary contribution
- if insufficient contributions are received, the trip or activity may have to be cancelled

3. No charges will be made for:

- An admission application to any maintained school;
- Education provided during school hours (including the supply of some materials, books, instruments or other equipment);
- Education provided outside school hours if it is part of the National Curriculum, or:
 - part of a syllabus for a prescribed public examination for which the pupil is being prepared at the school;
 - part of the school's basic curriculum for religious education;
 - tuition for pupils learning to play musical instruments (or singing) if the tuition is required as part of the National Curriculum;
 - part of a syllabus for a prescribed public examination for which the pupil is being prepared at the school;
 - part of religious education;
 - initial entry for a prescribed public examination, if the pupil has been prepared for it at the school;
 - education (as opposed to transport etc.) provided on any trip that takes place during school hours;

- education (as opposed to transport etc.) provided on any trip that takes place outside school hours if it is part of the National Curriculum, or part of a syllabus for a prescribed public examination for which the pupil is being prepared at the school, or part of the school's basic curriculum for religious education.

4. School Trips

No charge will be levied in respect of day trips that take place during school hours or are part of the curriculum.

Residential trips – Essential

For residential trips which are essential to the National Curriculum, statutory RE or in preparation for prescribed examinations, a charge will be levied for board and lodging.

Residential trips - Non-essential

For residential trips which are not essential to the National Curriculum, statutory RE or in preparation for prescribed examinations:

- if the amount of school time on the trip is less than half of the total time of the trip, a charge will be levied up to the full cost of the trip.
- if the amount of school time on the trip is half or more of the total time of the trip, a charge will be levied for board and lodging.

When any trip is arranged, parents will be notified of the policy for allocating places. This should recognise that parents may not be able to pay quickly and may have to budget for the trip over a reasonable period of time.

5. Optional Extras

Charges may be made for optional activities that are known as 'Optional Extras'. Any charges made will not exceed the actual cost (per pupil) of provision. **It is the policy of De La Salle School that charges will (or may) be made as indicated below:**

6. Remissions (reductions in cost, or charge)

In order to remove financial barriers from pupils, the governing body has agreed that some activities and visits where charges can legally be made will be offered at no charge or a reduced charge to parents in particular circumstances. This remissions policy sets out the circumstances in which such charges may be waived.

7. Families qualifying for remission or help with charges
