

Acceptable School Shoes

We do appreciate shoes can be an expensive item for parents to buy and are therefore keen to ensure the correct version is purchased. Your child may tell you differently, but trainer type shoes are not permitted, nor are flat pumps, canvas footwear, sports trainers or mules. There should be no added 'bling' in the form of glittery stones and studs, neither should there be logos or coloured laces. Shoes should be sensible, plain style, with a minimal heel and black and clean/polished please. Should your child attend school in footwear that is unacceptable, we may ask them to change into a pair provided by us for the day and they will be expected to wear the expected footwear within a two week period.

The pictures below should serve to help you when deciding what is and what is not allowed. It is impossible to provide a complete list so if in doubt please do not hesitate to contact your child's Head of Year.

Pupils have been informed, via whole school assemblies and through form discussions of what is acceptable and unacceptable.

Whilst we have the authority to send pupils home who arrive at school without the correct uniform, this is a consequence we would rather avoid where possible.

We are very grateful to parents for their support in this matter.
