A Hearty Texan Meal

All this action is sure to get your belly a 'rumblin'. So we've partnered up the experience with some homely Western fare featuring camp cornbread, cattleman's chilli, Texan skillet, old-style potato wedges and warm apple dessert with vanilla ice cream which you can wash down with water, beer, Coca-Cola and tea or coffee. How's that sound, Deputy?

Travel tips – money

The currency in Paris is the Euro.

We recommend that students take no more than £30 with them on the visit to use whilst travelling in the UK.

We recommend that students take around €40 with them for food at Disneyland Paris, and then it is up to you for spends.

Travel tips – packing

The weather in Paris at this time of year is pretty much the same as here – cold and wet! As such, I recommend that students pack the following essential items for their tour:

Jackets

Waterproof coat

Clothes to wear

Comfortable shoes
