

De La Salle Geography and Art Competition.

Mrs Rooney and Mrs Millea would like to give you the **opportunity** to enter an **Art competition.**

Create your masterpiece based on the theme:

Changing Places.

Aims: We are interested in entries from our students and feeder primary schools.

Your picture should represent how places have changed during the global pandemic. These places can be the places you are familiar with in your local area or places around the world. Think about how their characteristics have changed and create your masterpiece around this.

Guidelines: We would like you to be as creative and innovative as possible and as all entries will be posted online you have no real restrictions. To get you started though, here are a few suggestions: Poster design, painting, collage, sculpture, animation, photograph or a piece of creative writing.

What we are really looking for is your creative observation of a changing place due to the pandemic.

Post your entries on:

Twitter [@dlsgeography](#) or email rooneyl@delasalleschool.org.uk

Deadline: Friday May 22nd 2020.

Art
Competition

Prize for 1st, 2nd
and 3rd place.
