

## Guide to Homework, Online School Systems and Blended Learning

Our school logins all link to OFFICE 365. This means students can login to Microsoft Apps using their school email address and password.

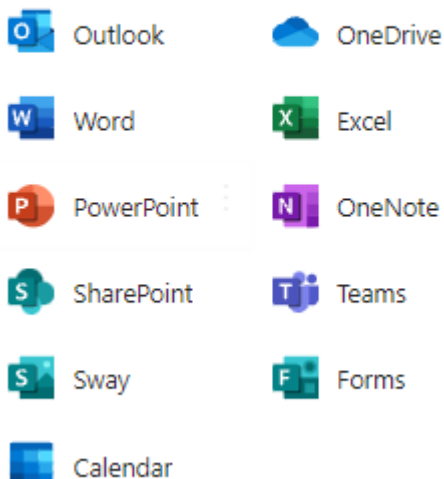

### Email address formats

- Year 7 [21surnameinitial@delasalleschool.org.uk](mailto:21surnameinitial@delasalleschool.org.uk)
- Year 8 [20surnameinitial@delasalleschool.org.uk](mailto:20surnameinitial@delasalleschool.org.uk)
- Year 9 [19surnameinitial@delasalleschool.org.uk](mailto:19surnameinitial@delasalleschool.org.uk)
- Year 10 [18surnameinitial@delasalleschool.org.uk](mailto:18surnameinitial@delasalleschool.org.uk)
- Year 11 [17surnameinitial@delasalleschool.org.uk](mailto:17surnameinitial@delasalleschool.org.uk)

All passwords are the same as those used to login to the school PCs / laptops and have been chosen by students themselves.

### Apps

Once logged into Office 365, our students are able to use all of the Microsoft Office packages free of charge (Teams, Powerpoint, Word, Excel etc) and can store their work in OneDrive.

## **Homework**

Homework at De La Salle is set using the Assignments function in Microsoft Teams. Students are able to set the app to receive notifications when a new homework has been set and should be checking this section on a daily basis.

For a full student guide to Microsoft Teams please [click here](#).

All parents / guardians will receive a weekly email from Teams showing the assignments that have been set for your child for the week that has just passed and for the following week. For each assignment, you will either see that it has been completed, or you will see the due date if it has not been completed. This will be sent to the email address that we hold for you on our records in school.

Click here for [a guide to using assignments in teams](#)

Homework can take many forms but should include a combination of links to relevant websites, video clips, quizzes, reflective tasks, revision, creative tasks etc.

Directions for returning homework should be clear in the 'Assignment', for example complete the online quiz and submit or create a piece of art and upload a photo. Students are encouraged to speak to their class teacher or send their teacher a direct message using the chat function in Teams if they are not sure about any aspect of their homework.

The logo for Satchel:one, consisting of the text 'satchel:one' in white lowercase letters on a dark blue rectangular background.

***We are in the process of reintegrating Satchel: One (formerly Show My Homework) to our homework systems which will allow parents / guardians to view more information about student's homework and deadlines. Once we have completed the set up for this, we will send out more information about logging on.***

## Useful Home Learning Websites and Information

<https://vle.mathswatch.co.uk/vle/>

Login format:

Year 7 username 21surnameinitial@delasalleschool

Year 8 username 20surnameinitial@delasalleschool

Year 9 username 19surnameinitial@delasalleschool

Year 10 username surnameinitial2023@delasalleschool

Year 11 username surnameinitial@delasalleschool

All passwords are 'delasalle' unless students have changed it themselves.

Active homework should be visible on the assignments section and students can watch clips to help them with a particular topic or to revise.

<https://senecalearning.com/en-GB/>

If homework is set through Seneca, students will be sent a link or a code to join a class. Teachers will set tasks through this class and can keep track of the work they are completing. We encourage students to set up their own username and password with the school email so they can keep track of the work they have completed.

[Blooket](#)

Teachers may set interactive quizzes and games. Students will need a link or a code to access but no need to login

### GCSE Spanish Only

[ActiveLearn \(pearsonactivelearn.com\)](https://www.pearsonactivelearn.com)

Please see your language teacher for a login if you are in years 10 or 11

## School Systems

ParentMail is De La Salle School's communication and online payment portal for parents which can be accessed online at <https://pmx.parentmail.co.uk/#core/login> or via the De La Salle ParentMail app, available for free on your mobile device.

To access ParentMail via the website or the app you must first have registered your account. To register, please follow the link in your registration email or text. If you have not received this or if the link has expired, please contact the school directly.

[A parent's guide to registering an account.](#)

Edulink One is a way for students and parents/guardians to view timetables, catering account, achievement points, behaviour points and more.

To access Edulinkone please follow the link in your registration email or text and use the login details provided. If you have not received this or if the link has expired, please contact the school directly.

<https://delasalleschool.edulinkone.com#!/login>

School Cloud is our online parents evening platform. More information will be sent via Parentmail prior to the arranged parents' evenings. All information for signing up to this will be included in that email.

Don't Suffer In  
Silence, Make A  
Report.

## Report a Safeguarding Concern

To make it easy for you to report a safeguarding concern, we use the SHARP system. SHARP stands for School Help Advice Reporting Page. This will help you report help any problems you may have in or out of school.

Find out more using this link <https://delasalle.thesharpsystem.com/>

## **Blended / Home Learning**

If a student is unwell, isolating or not able to attend lessons for another reason, work will be provided to them through the year group blended learning team. This should only be completed if the student has not been in lessons and well enough to study; it **IS NOT** extra homework.

...

The work set in here will be in line with the work being completed in lessons but adapted to suit a student working outside of the classroom. Please contact the school directly if there are any problems accessing this work.
