

**“You can perform miracles by touching the hearts of those entrusted to your care.”**

### **Introduction**

We are a Catholic community of staff, governors, students, Brothers and families enriched by our Lasallian heritage, traditions and values. Our mission is to work with all in our family community to:

- See each person in our community as an individual with their own talents, needs, hopes, dreams and aspirations
- Provide a holistic education that challenges each of us to achieve our potential and become the person God intended us to be: spiritually, morally, academically, physically and socially
- Walk side by side with our students to help them grow into confident, independent, kind, respectful and tolerant adults, with a strong sense of social responsibility, ready to make a valuable contribution to the world of tomorrow
- Create a safe and supportive environment where those of all faiths, and none, can explore, share, discuss and celebrate their spirituality

In order to fulfil this mission, it is important that home and school work in partnership for the best interests of our students. This Home-School Agreement sets out the expectations that we should have of each other.

The school will make every effort to:

- care for your child’s safety and happiness
- contact you if we have any concerns or problems that appear to be having a negative influence on your child’s attitude or approach to school life
- treat parents and carers with courtesy and respect at all times
- work hard to ensure that your child will realise their full potential in every aspect of their development
