De La Salle Careers

OPPORTUNITIES

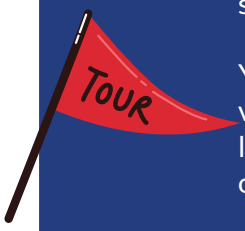
This year, UCL's Electrical Engineering course had an average of 11.2 applications for every 1 place available. Students who met the grade requirements are not being offered places as the course has been so popular! This is why it is **SO** important to be doing more than "just" getting good grades. Things like virtual work experience, university summer schools and employer events will help you to stand out to universities (and apprenticeship employers). Don't underestimate the power of signing up to the opportunities we are sharing with you in this newsletter.



You can use the UCAS website to view a list of all the university's virtual tours. If the uni/college you're interested in isn't listed, take a look at their website or YouTube channel instead, or see if they're on Unibuddy.

dyson institute of engineering + technology

The Dyson apprenticeship programme is one of the most competitive in the Uk. You can learn more about their application process here and what the Dyson experience is like here.

Get Career Confident

Get Career Confident have a range of downloadable activities that you can use to complete tasks like creating your CV, planning your next steps at the end of Year 11 and what to do after results day. You can view and download them here.

Preparing For Your Future is a free online course to help 14-16 year olds build skills and careers confidence. What makes you YOU? What do you WANT and NEED in life? And how do you get it? These free online courses will help you explore your strengths, your needs, and what you want to do in the future. You will feel much more confident about ways to get to where you want to be. You can read more and sign up here.

Join University of Exeter on Sat 1st April. You will get useful tips and guidance from staff about writing a personal statement and have the opportunity to ask your questions about life at our university to current students. You can read more and register here.

Are you in Year 10 and want to work with animals in the future? Join the RVC's two day free Year 10 Easter School taking place on the 3rd and 4th April 2023 at our Camden campus in London! Read more and register here.

EMPLOYER SPOTLIGHT

YMCA

"YMCAs in England and Wales are vibrant places to work, offering opportunities for staff to grow and develop in supportive environments. Everyone who works for YMCA contributes hugely to improving the prospects for vulnerable young people and wider communities."

You can read more about their careers here.

UNI SPOTLIGHT

University of Sheffield

"Sheffield is an extraordinary place to live and study. It's one of the major cities in the UK, yet 60% of it is green space. It's a city that's safe, affordable, creative and welcoming. Live here and you'll get a vibrant big city feel as well as the space and adventure of the Peak District National Park which is (almost) on your doorstep." You can read more about University of Sheffield's courses here.
