## Our Mission

*"You can perform miracles by touching the hearts of those entrusted to your care."*

We are a Catholic community of staff, governors, students, Brothers and families enriched by our Lasallian heritage, traditions and values. Our mission is to work with all in our family community to:

- See each person in our community as an individual with their own talents, needs, hopes, dreams and aspirations
- Provide a holistic education that challenges each of us to achieve our potential and become the person God intended us to be: spiritually, morally, academically, physically and socially.
- Walk side by side with our students to help them grow into confident, independent, kind, respectful and tolerant adults, with a strong sense of social responsibility, ready to make a valuable contribution to the world of tomorrow
- Create a safe and supportive environment where those of all faiths, and none, can explore, share, discuss and celebrate their spirituality
